02/26/2010	Labor	FENCE AND GATE: Repair leaning fence by installing a 2x4 from house wall to fence. This will secure it and allow for the gate to operate correctly. The result is you will have a 2 x 4 header above the gate. Header will be painted to match fence color.	1	48.00	48.00
02/26/2010	Labor	SPRINKLER SOLUTION: We are recommending that you eliminate all of the sprinklers in the rear of the house except for one by the fountain. The eliminated sprinklers will be replaced with dripping hoses due to the fact that there is no grass and the existing system is designed for larger areas. This will save water, provide for better irrigation and eliminate damage caused by overspray. Includes labor and materials.	1	236.00	236.00
02/26/2010	Labor	OUTSIDE ELECTRICAL: Replace existing landscape lighting with 12 Malibu style stand lights and 5 spot lights. Includes labor and materials. NOTE: Reference image sent in separate email to view proposed light style. Continue to the next page.	1	885.00	885.00
